AMULYA PRATAP SINGH

Full-Stack Developer (React.js | Node.js | MySQL)
Lucknow, Uttar Pradesh | +91 9369909798 | thakuramulyasingh16@gmail.com

PROFESSIONAL SUMMARY

Full-Stack Developer with hands-on React.js, Node.js, Express.js and MySQL experience, having built two complete applications: a multi-role College ERP and an online examination platform with proctoring. Strong in REST API design, RBAC and database schema design. Currently pursuing MCA (Cyber Security); 1 year of professional data QA experience.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, State Management
Backend: Node.js, Express.js, RESTful APIs, Role-Based Access Control (RBAC)
Databases: MySQL, TiDB Cloud, DBMS, SQL
Languages: JavaScript, Python, SQL, Core Java
Tools: Git, GitHub, Postman, VS Code, Claude Code, Gemini CLI
Also: Prompt Engineering, LLM API Integration, System Architecture

PROFESSIONAL EXPERIENCE

Iron Mountain India Pvt. Ltd. (via Quess Corp Limited), Lucknow, UP *Jun 2025 – Jun 2026*
NAPS Trainee (Data Analysis & Quality Assurance)

- Processed and audited 200+ enterprise data records daily with 100% data integrity.
- Used validation scripts to detect anomalies and prevent data corruption, building a habit of testing edge cases and debugging.
- Collaborated with cross-functional teams to improve workflow efficiency and meet daily SLAs.

PROJECTS

College ERP System with Automated Assessment & Evaluation *React.js, Node.js, Express.js, MySQL*

- Architected an end-to-end institutional ERP with multi-role portals (Admin, Teacher, Student), secure authentication and granular RBAC.
- Engineered an automated objective assessment pipeline that processes submissions, verifies results and streams batch-wise performance metrics to instructor dashboards.
- Built modular REST endpoints and structured schema models for real-time grades, attendance logs and academic records.

Online Examination & Intelligent Proctoring System *React.js, Node.js, Express.js, MySQL, Browser APIs*

- Developed a scalable online testing engine with timed assessments, automated MCQ evaluation and instant performance reports.
- Implemented multi-layered proctoring controls, including tab/browser inspection and media state monitoring to maintain test integrity.
- Built a real-time admin monitor that audits live candidate sessions, catches anomalies and flags irregular submission patterns.

EDUCATION

Master of Computer Applications (MCA) – Cyber Security *2026 – Present*
Lovely Professional University (Online), Phagwara, Punjab

Bachelor of Computer Applications (BCA) *2023 – 2026*
City College of Management (University of Lucknow), Lucknow, UP

Senior Secondary (12th) & High School (10th), CBSE *2023 | 2021*
Gurukul Academy, Lucknow, UP

CERTIFICATIONS & LANGUAGES

Certifications: Introduction to Cyber Security (Cisco, 2024); Database Management (Infosys, 2024)
Languages: English (Professional Working Proficiency), Hindi (Native)
