AMULYA PRATAP SINGH

GenAI & AI-Native Full-Stack Developer
Lucknow, Uttar Pradesh | +91 9369909798 | thakuramulyasingh16@gmail.com

PROFESSIONAL SUMMARY

GenAI & Full-Stack Developer (MCA Cyber Security, pursuing) who builds AI-powered web platforms by combining LLM APIs, prompt engineering and agentic workflows with React.js, Node.js, Express.js and MySQL. Daily user of AI coding tools (Claude Code, Gemini CLI) for faster, more reliable delivery. 1 year of data validation and QA experience under the NAPS program.

TECHNICAL SKILLS

GenAI & AI: Generative AI, Agentic AI Workflows, Prompt Engineering, LLM API Integration, AI-Assisted Architecture
AI Dev Tools: Claude Code, Gemini CLI, Git, GitHub, Postman, VS Code
Languages: Python, JavaScript (ES6+), SQL, Core Java, HTML5, CSS3
Full Stack: React.js, Node.js, Express.js, RESTful APIs, State Management
Databases & Security: MySQL, TiDB Cloud, RBAC, System Architecture

PROFESSIONAL EXPERIENCE

Iron Mountain India Pvt. Ltd. (via Quess Corp Limited), Lucknow, UP *Jun 2025 – Jun 2026*
NAPS Trainee (Data Analysis & Quality Assurance)

- Audited 200+ enterprise data records daily with 100% data integrity, preparing clean datasets for downstream operations.
- Applied automated validation scripts to detect anomalies and edge-case discrepancies, an approach that carries over to evaluating LLM output quality.
- Worked with cross-functional teams to streamline data pipelines and meet daily SLA benchmarks.

PROJECTS

College ERP System with Automated Assessment & Evaluation *React.js, Node.js, Express.js, MySQL, AI Workflows*

- Architected an end-to-end institutional ERP with multi-role portals (Admin, Teacher, Student), secure authentication and granular RBAC.
- Engineered an automated objective assessment pipeline that processes submissions, verifies results and streams batch-wise performance metrics to instructor dashboards.
- Built modular REST endpoints and structured schema models for real-time grades, attendance logs and academic records.

Online Examination & Intelligent Proctoring System *React.js, Node.js, Express.js, MySQL, Browser APIs*

- Developed a scalable online testing engine with timed assessments, automated MCQ evaluation and instant performance reports.
- Implemented multi-layered proctoring controls, including tab/browser inspection and media state monitoring to maintain test integrity.
- Built a real-time admin monitor that audits live candidate sessions, catches anomalies and flags irregular submission patterns.

EDUCATION

Master of Computer Applications (MCA) – Cyber Security *2026 – Present*
Lovely Professional University (Online), Phagwara, Punjab

Bachelor of Computer Applications (BCA) *2023 – 2026*
City College of Management (University of Lucknow), Lucknow, UP

Senior Secondary (12th) & High School (10th), CBSE *2023 | 2021*
Gurukul Academy, Lucknow, UP

CERTIFICATIONS & LANGUAGES

Certifications: Introduction to Cyber Security (Cisco, 2024); Database Management (Infosys, 2024)
Languages: English (Professional Working Proficiency), Hindi (Native)
